A wide-angle photograph of the interior of RFD Social at Ponce City Market. The space is characterized by its industrial aesthetic, featuring a high ceiling with exposed metal beams and corrugated metal panels. Large windows with horizontal blinds are visible in the background, allowing natural light to filter in. The seating area is furnished with olive green armchairs, a wicker chair, and a long wooden bench with colorful patterned cushions. A large, rustic wooden stump serves as a coffee table. In the background, there is a bar area with a curved wooden counter and several tables with stools. The lighting is a mix of warm red pendant lights and cool blue and green ambient lights, including a prominent green globe light hanging from the ceiling. The overall atmosphere is modern and eclectic.
